

Medici VIP

Medici members have more energy, better immune systems, and feel more joy. They have fewer medical mistakes and hospital stays. Medici is reinventing healthcare around you.

With Medici VIP you have access to a concierge physician supported by a world-class team of nurses, nutritionists, physical therapists, and specialists all through a single phone number, available 24 hours a day 7 days a week.

A DEDICATED PRIMARY CARE PROVIDER

As the quarterback of your health, your primary care physician is deeply committed to finding solutions so you can live your healthiest life.

2nd.MD

2nd.MD gives you easy access to the world's best doctors across 140 subspecialties when your condition is complex.

EXECUTIVE EXAM

Medici will provide a comprehensive executive exam including a thorough examination, testing, and physician review. There is no better way to acquire a full evaluation of your overall health.

BEHAVIORAL HEALTH

Medici has a behavioral health team of loving counselors and psychiatrists for those challenging times.

24/7 EMERGENCY CARE

Emergency doctors are a call away 24/7 in an emergency. They can treat you or direct you to the best facility.

SPECIALTY CARE

Medici's in-house specialists are part of your primary care team, meaning you will visit 70% fewer specialists. Veterinarian urgent care included!

TO YOUR FRONT DOOR

Most lab testing is done at your home. Medications shipped directly to your door.

Price: \$12k (\$20k for couples)

Live Worry Free

90–95% of cancers are attributed to the environment and lifestyle (NIH). Yet cancer care is wholly focused on treating the disease, not avoiding it. Medici Oncology is the 1st cancer center in the US founded to prevent cancer or catch it Stage I.

TESTING

1. Early detection test to identify & pinpoint the location of 50+ cancers.
2. Genetic test to show your genetic risk of developing 11 types of hereditary cancer.
3. Environmental tests that look for dangerous chemicals in your body & home.

ACCESS

Concierge access to MD Anderson, Memorial Sloan Kettering, City of Hope, Dana Farber, & UCSF

COACHING

Medici's members receive a **personalized cancer prevention** plan to improve nutrition and reduce toxicity.

PRODUCTS

Receive supplements, deodorants, lotions, and detergents that are free of dangerous compounds

EXPERTISE

Access to the 50 top oncologists in the US through 2nd.MD if diagnosed with cancer for a 2nd opinion.

RESEARCH

Medici augments your treatment plan with the most relevant research data and AI recommendations, to ensure we are always up-to-date.
